MEET OUR NEW COMMANDER

Col. Mike "Angry" Schultz

Public Affairs sat down with Col. Schultz for a brief Q&A:

Where are you from?

I was born in Jacksonville, Florida, but I grew up in Houston, Texas. I'm kind of a naturalized Texan.

Why did you join the Air Force?

I've always had a sense of wanting to serve. I always wanted to be a fighter pilot growing up. I knew from the age of 7 what I wanted to do, and I've served in the Air Force for 28 years now.

Did you choose the A-10?

I've always liked the mission of the A-10, so it was absolutely my first choice. Best choice I ever made.

What is your vision for the wing?

My vision for the wing is to continue doing what we're doing. Any part of the wing, from the mission support group to the operations group, is ready to go anywhere in the world to defend the ground and do bad things to bad people.
