Farewell Message

*by: Brig. Gen. Roger Suro
442d Fighter Wing Commander*

To the mighty Airmen of the 442 FW,

I am truly honored and blessed to serve with you as your wing commander over the last two years. Tracy and I are constantly amazed with the professional dedication you exemplify. You joined our passion to take care of Airmen and their families so the member can take care of the mission; and the wing accomplished amazing things. You served with valor, dignity, and respect during a combat rotation in Kandahar, several individual AEF taskings across the globe, an Agile Combat Employment exercise in the Pacific, several annual tour deployments, and the ‘best damn Hawgsmoke ever!’ I could not be more proud of you and your families. Thank you for your service

and I look forward to watching you thrive as you crush the UEI in February 2020 and deploy again to meet our Nation’s call with honor.

Very Respectfully,

Brig Gen Roger “Seaman” Suro

You are cordially invited to attend a
